With Backs to Wall Dodgers Fight Way to Victory Over Red Sox in Third Game, Using Bats to Good Effect

BIG FACTOR IN ROBINS' VICTORY

Coombs and Pfeffer Keeps Red Sox Scoring Down.

8TH GAME TO BE WON BY MARGIN OF A RUN

By PREDERICK G. LIEB.

After permitting two games to slip to the Red Sox through the error column the Brooklyn Dodgers tightened their defence on their home lot in Flatbush yesterday and by playing a perfect fielding game behind Coombs and Pfeffer succeeded in hanging up their first victory in a modern world's series. The Dodgers won by a score of 4 to 3.

The result of the game left unbroken the remarkable chain of world's series contests which have been decided by one run during the past two world's series. in fact every game played by the Red Sex during the series of 1915 and 1916 has been won by the tiny margin of one run. Eight such games have been played, the Red Sox winning six and Philadelphia and Brooklyn one each.

phia and Brooklyn one each.

Brooklyn played a stronger fielding game in Boston last Monday than 't did in the first game of the series on the preceding Saturday. However, a fatal slip by Cutshaw cost the Superbas Monday's game. The Flatbushers seem to be finding themselves. They made four errors last Saturday, one in the fourteen innings on Monday and none vesterday. The Superbas are now hardened to the world's series excitement, and from now on if Boston does win it must win strictly on its merits.

Dodgers on Their Mettle.

The Dodgers had to field yesterday to stave off a Red Sox walkover. After Robinson's men tore into Carl Mays for four runs, while Colby Jac. Coembs was shutting out the present world's champions for five innings, it looked easy for Brooklyn. But the Sox fought back gamely. They hit Coombs so hard in the sixth and seventh innings that discreet John removed himself from the box. Three Hub runs were in when the box. Three Hub runs were in when the Brooklyn cause was entrusted to big Ed Pfeffer. The Superbox played smart, all around baseball yesterday and deserved their Coomba's shoots over the right field wall victory. They blocked the Red Sox at every turn. After Mays had taken a hard belting for five innings Carrigan had another surprise ready. He called in George Poster, one of the heroes of the 1915 series, who hadn't pitched a ball since the first week in September. A lame arm had kept him on the side lines.
